

AMBIENT 2024

Forward

The Fourteenth International Conference on Ambient Computing, Applications, Services and Technologies (AMBIENT 2024), held between September 29th, 2024, to October 3rd, 2024, in Venice, Italy, continued a series of international events devoted to a global view on ambient computing, services, applications, technologies and their integration.

On the way to a full digital society, ambient, sentient and ubiquitous paradigms lead the torch. There is a need for behavioral changes for users to understand, accept, handle, and feel helped within the surrounding digital environments. Ambient comes as a digital storm bringing new facets of computing, services and applications. Smart phones and sentient offices, wearable devices, domotics, and ambient interfaces are only a few of such personalized aspects. The advent of social and mobile networks along with context-driven tracking and localization paved the way for ambient assisted living, intelligent homes, social games, and telemedicine.

We take here the opportunity to warmly thank all the members of the AMBIENT 2024 technical program committee, as well as all the reviewers. The creation of such a high-quality conference program would not have been possible without their involvement. We also kindly thank all the authors who dedicated much of their time and effort to contribute to AMBIENT 2024. We truly believe that, thanks to all these efforts, the final conference program consisted of top-quality contributions. We also thank the members of the AMBIENT 2024 organizing committee for their help in handling the logistics of this event.

We hope that AMBIENT 2024 was a successful international forum for the exchange of ideas and results between academia and industry for the promotion of progress in the field of ambient computing, applications, services and technologies.

AMBIENT 2024 Chairs

AMBIENT 2024 Steering Committee

Lorena Parra Boronat, Universidad Politécnica de Madrid, Spain

Kenji Suzuki, Tokyo Institute of Technology, Japan

Yuh-Jong Hu, National Chengchi University, Taiwan

Valerie Camps, Paul Sabatier University - IRIT, Toulouse, France

AMBIENT 2024 Publicity Chairs

Laura Garcia, Universidad Politécnica de Cartagena, Spain

Lorena Parra Boronat, Universidad Politécnica de Madrid, Spain
