

HEALTHINFO 2024

Forward

The Ninth International Conference on Informatics and Assistive Technologies for Health-Care, Medical Support and Wellbeing (HEALTHINFO 2024), held on November 3 - 7, 2024 in Nice, France, tackles with particular aspects belonging to health informatics systems, health information, health informatics data, health informatics technologies, clinical practice and training, and wellbeing informatics in terms of existing and needed solutions.

The progress in society and technology regarding the application of systems approaches information and data processing principles, modeling and information technology, computation and communications solutions led to a substantial improvement of problems in assistive healthcare, public health, and the everyday wellbeing. While achievements are tangible, open issues related to global acceptance, costs models, personalized services, record privacy, and real-time medical actions for citizens' wellbeing are still under scrutiny.

We take here the opportunity to warmly thank all the members of the HEALTHINFO 2024 technical program committee as well as the numerous reviewers. The creation of such a broad and high quality conference program would not have been possible without their involvement. We also kindly thank all the authors that dedicated much of their time and efforts to contribute to the HEALTHINFO 2024. We truly believe that thanks to all these efforts, the final conference program consists of top quality contributions.

This event could also not have been a reality without the support of many individuals, organizations and sponsors. We also gratefully thank the members of the HEALTHINFO 2024 organizing committee for their help in handling the logistics and for their work that is making this professional meeting a success.

We hope the HEALTHINFO 2024 was a successful international forum for the exchange of ideas and results between academia and industry and to promote further progress in health informatics research. We also hope that Nice provided a pleasant environment during the conference and everyone saved some time for exploring this beautiful city

HEALTHINFO 2024 General Chair

Jaime Lloret Mauri, Polytechnic University of Valencia, Spain

HEALTHINFO 2024 Steering Committee

Shada Alsalamah, King Saud University, Saudi Arabia

Nelson P. Rocha, University of Aveiro, Portugal

HEALTHINFO 2024 Publicity Chair

Lorena Parra Boronat, Universitat Politècnica de Valencia, Spain

Sandra Viciano Tudela, Universitat Politècnica de Valencia, Spain

Jose Miguel Jimenez, Universitat Politècnica de Valencia, Spain

Francisco Javier Díaz Blasco, Universitat Politècnica de Valencia, Spain

Ali Ahmad, Universitat Politècnica de Valencia, Spain
