

ICWMC 2025

Forward

The Twenty-First International Conference on Wireless and Mobile Communications (ICWMC 2025), held between March 9th, 2025, and March 13th, 2025, in Lisbon, Portugal, continued a series of international events on advanced wireless technologies, wireless networking, and wireless applications.

The event addressed wireless related topics concerning integration of latest technological advances to realize mobile and ubiquitous service environments for advanced applications and services in wireless networks. Mobility and wireless, special services and lessons learnt from particular deployment complemented the traditional wireless topics.

We take the opportunity to warmly thank all the members of the ICWMC 2025 technical program committee, as well as all the reviewers. The creation of such a high-quality conference program would not have been possible without their involvement. We also kindly thank all the authors who dedicated much of their time and effort to contribute to ICWMC 2025. We truly believe that, thanks to all these efforts, the final conference program consisted of top-quality contributions. We also thank the members of the ICWMC 2025 organizing committee for their help in handling the logistics of this event.

We hope that ICWMC 2025 was a successful international forum for the exchange of ideas and results between academia and industry for the promotion of progress in the field of wireless and mobile communications.

ICWMC 2025 Chairs

ICWMC 2025 Steering Committee

Dragana Krstic, University of Niš, Serbia

Rajat Kumar Kochhar, Ericsson, Sweden

Magnus Jonsson, Halmstad University, Sweden

Sonia Ben Rejeb, Higher Institute of Computer Science (ISI), University of Tunis El Manar (UTM), Tunisia

ICWMC 2025 Publicity Chairs

Francisco Javier Díaz Blasco, Universitat Politècnica de València, Spain

Ali Ahmad, Universitat Politècnica de València, Spain

José Miguel Jiménez, Universitat Politècnica de València, Spain

Sandra Viciano Tudela, Universitat Politècnica de València, Spain
