

CENTRIC 2016

Committee

CENTRIC 2016 General Chairs

Lasse Berntzen, University College of Southeast, Norway
Stephan Böhm, RheinMain University of Applied Sciences - Wiesbaden, Germany

CENTRIC Advisory Committee

Michael Gebhart, iteratec GmbH, Germany
Vitaly Klyuev, University of Aizu, Japan
Mario Hoffmann, Fraunhofer-Institute for Secure Information Technology (SIT) - Darmstadt, Germany
Guadalupe Ortiz, University of Cádiz, Spain
Thomas Marx, University of Applied Sciences Bingen, Germany
Inmaculada Rodriguez Santiago, University of Barcelona, Spain

CENTRIC 2016 Research Institute Liaison Chairs

R. Hariprakash, Arulmighu Meenakashi Amman College of Engineering, India
Muhammad Iftikhar, International Medical School - Management & Science University (MSU), Malaysia

CENTRIC 2016 Industry/Research Chairs

Rainer Falk, Siemens AG - München, Deutschland

CENTRIC 2016 Technical Program Committee

Mohammed A. Akour, Yarmouk University, Jordan
Ana Almeida, Institute of Engineering - Polytechnic of Porto, Portugal
Giner Alor Hernandez, Instituto Tecnológico de Orizaba, México
Rémi Bastide, Université Champollion, France
Carlos Becker Westphall, Federal University of Santa Catarina, Brazil
Stephan Böhm, RheinMain University, Germany
Mahmoud Boufaïda, Mentouri University of Constantine, Algeria
Mahmoud Brahimi, University of Msila, Algeria
Lillian Brandão, Universidade Federal de Minas Gerais (UFMG), Brazil
Gerd Bruder, University of Hamburg, Germany
Marco Bruti, Telecom Italia Sparkle S.p.A. - Roma, Italy
Daniel Bo-Wei Chen, School of Information Technology - Monash University Sunway Campus, Malaysia
Umberto Cerasani, Sophia Antipolis, France
Feng Cheng, Hasso-Plattner-Institute at University of Potsdam, Germany
Sabine Coquillart, INRIA, France
Carlos J. Costa, ISCTE-IUL, Portugal

Ricardo Costa, School of Engineering - Polytechnic Institute of Porto, Portugal
Jose Luis Cuevas-Ruiz, Tec de Monterrey Campus Santa Fe, Mexico
Ayse Cufoglu, University of Westminster, UK
Giuseppe De Pietro, High Performance Computing and Networking Institute - National Research Council, Italy
Luigi Di Caro, University of Turin, Italy
Christina Di Valentin, German Research Center for Artificial Intelligence (DFKI) GmbH - Saarbrücken, Germany
Benedict du Boulay, University of Sussex, UK
Rainer Falk, Siemens AG - München, Deutschland
Seraj Fayyad, University of Oslo/UNIK, Norway
Stenio Fernandes, Federal University of Pernambuco, Brazil
Majlinda Fetaji, South East European University, Macedonia
Agata Filipowska, Poznan University of Economics, Poland
Nuno M. Garcia, Universidade Lusófona, Portugal
Fabio Gasparetti, ROMA TRE University, Italy
Marta Gatius, Polytechnic University of Catalonia, Spain
Bisson Gilles, CNRS/LIG, France
Till Halbach, Norwegian Computing Center, Norway
R. Hariprakash, Arulmighu Meenakashi Amman College of Engineering, India
Carlo Harpes, itrust consulting s.à r.l. - Berbourg, Luxembourg
Kari Heikkinen, Lappeenranta University of Technology, Finland
Hans-Joachim Hof, Munich University of Applied Sciences, Germany
Yanping Huang, Google Inc., USA
Muhammad Iftikhar, International Medical School - Management & Science University (MSU), Malaysia
Tomoko Izumi, Ritsumeikan University, Japan
Fumiko Kano Glückstad, Copenhagen Business School, Denmark
Vitaly Klyuev, University of Aizu, Japan
Vincent Koenig, University of Luxembourg, Luxembourg
Markulf Kohlweiss, Microsoft Research, UK
Hristo Koshutanski, University of Malaga, Spain
Lars Krüger, T-Systems, Germany
Iryna Kuksa, Nottingham Trent University, UK
Gabriele Lenzini, University of Luxembourg, Luxembourg
Paul Lubos, University of Hamburg, Germany
Goreti Marreiros, Polytechnic of Porto, Portugal
Célia Martinie, Université Toulouse 3, France
Wojciech Mazurczyk, Warsaw University of Technology, Poland
Ieva Meidutė-Kavaliauskienė, Vilnius Gediminas Technical University, Lithuania
Silvia Mirri, University of Bologna, Italy
José M. Molina, Universidad Carlos III de Madrid, Spain
Nader Nassar, IBM, USA
Karla Felix Navarro, University of Technology - Sydney, Australia
Josef Noll, Movation, Norway
David Novick, University of Texas at El Paso, USA
Yoshimasa Ohmoto, Kyoto University, Japan
Henning Olesen, Aalborg University Copenhagen, Denmark
Aris Ouksel, University of Illinois at Chicago, USA

Ignazio Passero, University of Salerno, Italy
Cathryn Peoples, Queen Mary University of London, UK
Isabel Pereira Marcelino, Polytechnic Institute of Leiria, Portugal
Willy Picard, Poznan University of Economics, Poland
Anna Puig, University of Barcelona, Spain
Valentim Realinho, Polytechnic Institute of Portalegre, Portugal
Ann Reddipogu, ManyWorlds UK Ltd. - Aberdeen, UK
Karen Renaud, University of Glasgow, UK
Michele Risi, University of Salerno, Italy
Joel Rodrigues, University of Beira Interior, Portugal
Marcos Rodrigues, Sheffield Hallam University, UK
Inmaculada Rodriguez Santiago, University of Barcelona, Spain
Carmen Santero, CNR-ISTI, Italy
Marcello Sarini, Università degli Studi Milano-Bicocca - Milano, Italy
Nilanjan Sarkar, Vanderbilt University, USA
Narasimha K. Shashidhar, Sam Houston State University, USA
Dominique L. Scapin INRIA, France
Guillaume Schaff, itrust consulting, Luxembourg
Peter Schartner, Universität Klagenfurt, Austria
Friedhelm Schwenker, University of Ulm, Germany
Monica M. L. Sebillio, University of Salerno, Italy
Jacques Simonin, Institut Télécom / Télécom Bretagne, France
Luciano P. Soares, Insper, Brazil
Christophe Strobbe, Stuttgart Media University, Germany
Mu-Chun Su, National Central University, Taiwan
Weilian Su, Naval Postgraduate School - Monterey, USA
Roman Y. Shtykh, CyberAgent, Inc., Japan
Hung-Min Sun, National Tsing Hua University, Taiwan
Ruck Thawonmas, Ritsumeikan University, Japan
Genoveffa Tortora, University of Salerno, Italy
Jacques Traoré, Orange Labs, France
Carlos Travieso González, University of Las Palmas de Gran Canaria, Spain
Giuliana Vitiello, Università degli studi di Salerno, Italy
Robin Vivian, Université de Lorraine, France
Evangelos Vlachogiannis, Fraunhofer Institute for Applied Information Technology FIT, Germany
Florian Volk, Technische Universität Darmstadt, Germany
Konstantinos Votis, Information Technologies Institute, Greece
Nan Wang, LinkedIn.com, USA
Benjamin Weyers, University of Duisburg-Essen, Germany
Sherali Zeadally, University of Kentucky, USA
Haifeng (Kevin) Zhao, University of California - Davis, USA
